

# Entry Review — Family

PRE-SCOPING QUESTIONNAIRE · V1.0 · PENDING FOUNDER SIGN-OFF

This questionnaire is designed to help you gather your thoughts before we speak. You do not need to have every answer. Bring what you can. Send nothing confidential in reply to this document — the questions below are meant to structure the conversation, not to be uploaded back through the public site.

## Before you begin

- If a child or adult is in immediate danger, contact 999 first. ORVIA is not an emergency service.
- Nothing you write in this questionnaire is submitted anywhere automatically. It is a working document for you.
- The pre-scoping conversation takes about 30–45 minutes and is free.

## Situation summary

### Q. Please describe the situation in your own words, in no more than two paragraphs.

This is the entire input for an Entry Review.

### Q. What are the three most important documents you already hold?

Types only, not content — e.g. 'court order dated May', 'school report Term 2', 'social worker email chain'.

### Q. What single question do you want the written first-read to answer?

Focus us. Broad questions produce broad answers.

## Scope check

### Q. Are you looking for a legal opinion, a clinical opinion, or an independent read of the evidence?

The Entry Review is only the third. We say so.

### Q. Are you already represented by a solicitor?

Yes / No / Not sure.

### What happens next

When you have worked through the questionnaire, send an enquiry using the tailored intake form on the ORVIA website. A named ORVIA person will respond within three working days after Gate One review. Nothing is committed on either side until Gate One has cleared the enquiry as safe, in scope and free of conflict.

### Immediate limits

This questionnaire does not create a client relationship, does not constitute legal or clinical advice, and does not commit either you or ORVIA to any specific engagement. Any specific outcome is subject to a written scope signed by an ORVIA Founder before work begins.

Status: pending Founder factual sign-off before public use.
